Detailed Synopsis:

Priority Influencing

The Priority Influencing Workshop essential skills program has been designed to help you improve and develop your knowledge and skills as an influencer. It will help you improve your productivity and effectiveness by enhancing your influencing skills and show you how to maintain a keen awareness of others' interests, moods and concerns. You will gain proficiency in any interdependent situation.

Unit 1: Being Productive

Introduces participants to the processes of work in the New Economy. Attendees work to discover the various ways that the influencing process impacts their effectiveness.

Unit 2: Wavelength

This unit displays the importance of wavelength skills in the influencing process through practice and observation. Participants learn how to recognise and look at body language and the importance of questioning and understanding in influencing. g.

Unit 3: Questioning

The ability to ask open questions and seek information ensures participants can better understand where others are coming from. Combine this with making suggestions and allowing for the choice you will maximise buy-in.

Unit 4: Understanding

Listening is looked at and participants learn the three phase process to minimize miscommunications.

Unit 5: Handling Conflict and Coming to an Agreement

Through workshop exercises, attendees fine tune conflict handling and agreement skills and practice them in influencing sessions using real workplace issues.

Unit 6: Learning

Focuses attention on the key role of learning and how to influence learning in organizations. Participants are taught the Learning Cycle and use it to dissect a successful influencing experience.
